# Mel-O-Dee

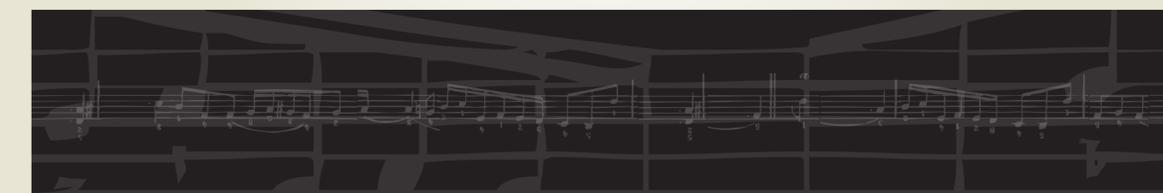

## Thank you for choosing the Mel-O-Dee!

We know you can dine out at many different places and are proud that you choose Mel-O-Dee. If there is anything you need, please don't hesitate to ask. At the Mel-O-Dee, pleasing you, pleases us!

The Mel-O-Dee opened in 1965 at our present location. We were convinced that high standards of service and careful preparation would bring customers back. It was our belief that taking time to make our own salad dressings and cole slaw, bake our own pies and fresh bread would be something that our customers would enjoy.

To our pleasant amazement, we found that our special "fresh made" features brought numerous requests for take home purchases. Because our customers asked for it, we now feature the Mel-O-Dee Take Home Department as a special service.

Try a loaf of our freshly baked Mel-O-Dee bread and don't forget a friend or relative... take them a loaf. Our salad dressings, cole slaw, freshly baked pies and many other items are also available for carry out. Ask your server and they will make sure that your Mel-O-Dee take home order is ready and waiting for you.

## The Mel-O-Dee Specialty...Genuine Broaster Foods

The Mel-O-Dee has long been known for our Broaster Foods - the House Specialty. The unique, trademarked Broasting process is a high-pressure cooking process that makes our chicken, chops and other meats juicy on the inside and crispy on the outside - somewhat like fried but not greasy. Our Broaster items are marinated in a unique seasoning, lightly breaded in our special coating, and always prepared to order. No pre-frying at the Mel-O-Dee. We're very fussy about the oil we use too - only all vegetable oil for healthfulness and supreme quality. Mel-O-Dee Genuine Broaster Specialties may sometimes take a little longer due to the huge demand and extra preparation time to cook to order but they are always worth the wait. Be sure to ask your server about taking home a Mel-O-Dee Bucket-O-Broaster.
